Angus's Lost Lady

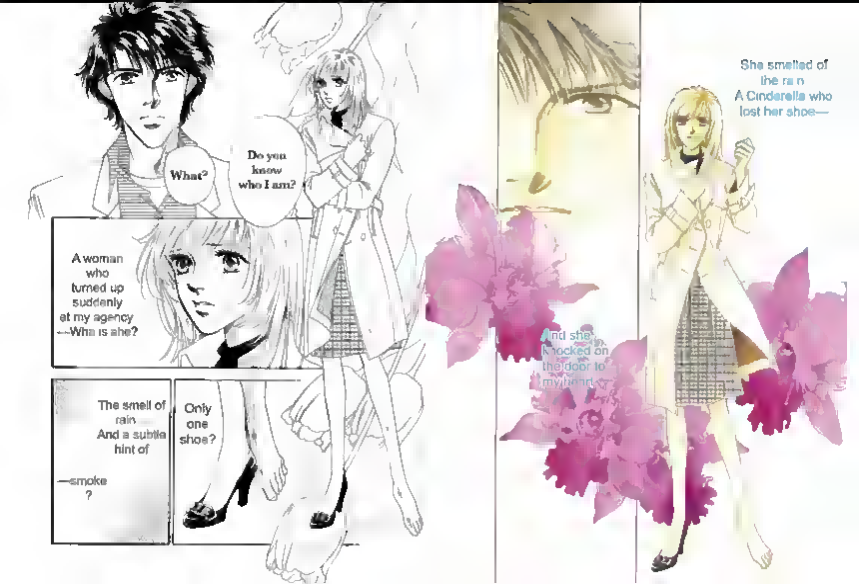
Original Text by Maria Farrarella



What?
Do you know who I am?
A woman who turned up suddenly at my agency —Who is she?
The smell of rain... And a subtle hint of
—smoke ?
Only one shoe?
She smelled of the rain A Cinderella who lost her shoe—
And she knocked on the door to my heart.

Send in a mysterious beauty and watch the detective in action.
Is this one of my friend's practical jokes?
So I have no time for games.
Games?
You should go home, too.
Sorry. I'd rather go home and have a beer.
This is not a game — I... I...
Wa. Wait!
Beautiful—
That's her most striking characteristic
Do you know me...?
—But
No, I don't know you.
I'm so tired, I've even started to think working in an office would be better than this unstable private detective work.
I'm very busy today.

Oh

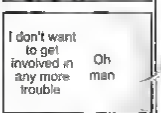
Sounds like you need some help.

Thank
Don't cry I mustn't cry

Thank you.
What?
Thank—you. I.. I don't know—
My house

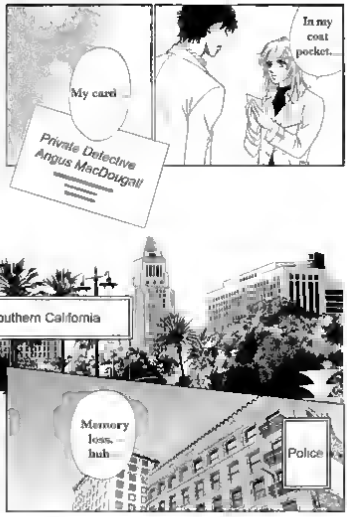
Oh.

Is she in some kind of trouble...?



I don't want to get involved in any more trouble
Oh man

Shiver
Don't give me that face



My card...
Private Detective
Angus MacDougall
In my coat pocket...
Southern California
Memory loss... huh...
Police
I can't remember anything.
I just found myself in an alley... It was raining...
I don't have anything.
—Except this.
She lost her memory?
Or... who I am—
Who you are?

All we can do...
Is introduce her to a homeless shelter.
Sorry.
My blue-eyed—
He
He's right.
Um... Mr. VanDougall...
Thank you for everything.
Homeless shelter
I really don't have a home then
Chatter
Chatter
Chatter
But I don't remember giving it to her. Has anyone reported her missing, Al?
Nothing that matches her description.
Maybe they haven't reported it yet.
Perhaps she lost her memory only a few hours ago.
Also the only clue is your business card.
It's in your nature to help people in need.
You need to concentrate on the "blue-eyed lady" of yours.
But you have no time for that right now.
Huh?
Leave it, Angus.

But you took my hand.
Not knowing who you are is very frightening
I reach out but everything is beyond my grasp
I can't see anything...
I nearly cried I was so happy.
You lent me clothes and sneakers even though you don't know me at all.
I haven't helped at all.
I can get to the shelter on my own.
Thank you for your kindness, even though you are so busy.
You probably don't know how much I appreciate it.
He looks embarrassed
I thought it'd be better than a soaking wet coat,
and would be easier to walk with both shoes.

Where re that women?
Tap— Tap—
Why isn t it In the news?
She must be dead
—Or
Tap—
She s forcing a sm le
I m sure she still feels like crying
Well, I did cry a lot.
Hehe.
a name memories.
A home...
She must some- where
Does she not have a home?
Homeless shelter –
Memor es behind those b-aut ful violet eyes
Get in.

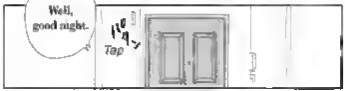
Welcome back, Angus.
Daughter
There's no wife. Vikki is my daughter. Blue-eyed daughter.
I was beginning to think I could never leave.
Thanks for looking after Vikki for so long, Jenny.
I'm just glad today isn't the day for my bike meet-up
It's not like you to have a guest.
And a young lady

I didn't kill her ?
My home.
This is...?
Oh, I'm sorry, it's my fault.
Vikki...
Dave, it's 9 pm. already.
Wouldn't she get upset if I suddenly turned up?
Your wife must be angry.
I broke my promise with Vikki.

I'll look in on my daughter while you do that.
R... right.
We should get you a name.
You can pick one out from there, or you might even remember it when you see it.

—Daughter—
It's been 5 months but I'm still not used to that word
Click
Click
Vikki.

Vikki's in her room playing games.
She ate pizza for dinner
My treat.
There's some in the fridge.
Let her stay here. Don't worry, Angus has a heart as big as a pool.
No, no, I've got my hands full with the grandkids.
Jenny, could you possibly take her...

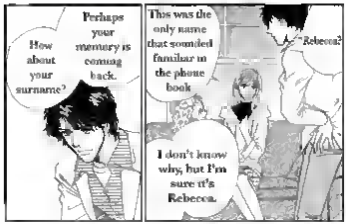


Well, good night.
Tap
Tap

Right.
Bash
A phone book?
This is for you.
Wow.
Her pink hair suits her Harley Davidson
She's a powerful woman, my neighbor

A puppy?
Dash
Oh.
Oh.
Beep
Beep
Beep
Glance
...I didn't mean to be so late.
Did you get shot or something?
You've been watching too much TV I don't do nasty like that.
We actually have a guest.
Can we let her stay?
She has nowhere else to go.
Hmph.
Were you shot there?
Hi, Vikki.

Your memory has returned!
Cool!
I don't know — I just remembered...
Wow, Vikki.
Your curiosity is really something.
What do you mean "memory"?
Her address, or her name
She can't remember anything.
Nothing?
Yes.
—Yes.
I was shot—
I was shot with a gun—
Oh, you are bleeding here.
I couldn't see it underneath your hair.
Sorry, we'll patch that up now.
Where?
Don't be silly.
Were you shot?
—Blood...
Pain...
Burning pain
!!



How about your surname?
Perhaps your memory is coming back.
This was the only name that sounded familiar in the phone book
Rebecca?
I don't know why, but I'm sure it's Rebecca.

Um...
Oh. That's right
I remember thinking she was so beautiful when I first saw her

Vikki! What are you saying?
Cool!
That's all right, Angus.
What?

If you don't know your name, what should we call you?
That's one way to look at it. I feel better now. Thank you, Vikki.

Rebecca.

Grab
He's tricking you!
Let's flip a coin, then.
I don't think so.
No, I'll sleep on the couch.
But
That is strange.
I know
Fine, fine, just go to bed. Wash your face and brush your teeth!
If Angus wants me to win, I always win.
Weird, right?
No. I don't know.
Beautiful
Even the crease between her brow
She must have lived life earnestly
Don't worry about it.
You can stay here until then.
It might be back tomorrow.
Rebecca...
No, in my bed.
Is she sleeping with me?
What?
I'll sleep on the couch.

Oh I'm probably prying
..Her mother ..
Did you divorce?
I never married Jane.. Vikki's mother
She ran away.
I told you.
There is no wife.
Why am I telling her this?
—But
Ran. ?
I proposed 3 times and she said no 3 times.
Thank you.
Are you hungry?
I only have cold pizza.
But she sometimes acts like a 40-year-old.
Perhaps because she's been through a lot.
She's 7
How old is Vikki?
She seems very mature.
Dad.
I can't even imagine that.
Not Dad?
Why does she call you Angus?

That she had died...
And that she had a daughter, Vikki.
I got the only piece of news 6 months ago.
Jane's friend told me.
She died...
—Vikki
Had never gone to school.
If I had never given up and kept looking for her, Vikki would have had a father...
I've never regretted anything so much
She loved freedom more than she loved me.
Jane was like the wind.
She disappeared one day.
—And I never saw her again.
I want to tell her
I can't help but tell her

Vikki and I are both blessed.
Huh?
He gets shy when someone thanks him or compliments him.
That embar rassed face again.
To have met you,
when everything seemed hopeless.
Rebecca
So if by calling me Angus,
like Jane did,
she can feel as if her mother is still here—
Then I don't mind.
You're kind.
Jane worked as a dealer, moving from casino to casino.
They didn't even have a fixed address.
For Vikki, Jane—her mother—was her everything.

Vikki!
How long have you been there?
Were you having a night-mare?
Just a bit.
—Morning
Pant
Pant
You're right.
Your mom must have been very clever
Yes... a really bad dream.
Yeah...!
Mom said all nightmares disappear in the morning.
It's all right now it's morning.

Run faster!
Run!
They'll kill me
Run...
Gasp!

Come on, Vikki. Rebecca's changing.
What's wrong, Angus? You look red.
Be quiet.
Just seeing you like that is enough, ha ha
No need for thank-yous anymore.
I don't know what to say
17
Why does my heart beat so much? Is it wrong?
If I loved someone
I wonder if someone loved me
I was making breakfast from leftovers.
Good morning, Angus.
Hi, Angus!
What are you doing?
What?
Re Rebecca.
17
I didn't realize my old uniform I lent her as pajamas could look so good
Um. Well..
Oh!
And some clothes and shoes for you.
I bought some breakfast.

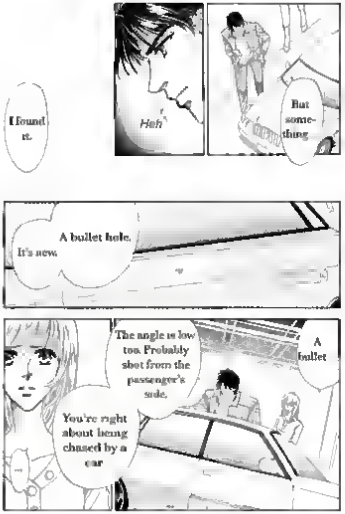
Angus
But you may not have been married.
You know?
You're not wearing a ring, and you have no tan line on your finger.
That's right.
There's no way she doesn't have a boyfriend.
Also, I think you lived comfortably, and you're fairly healthy.
That's amazing!
And her nails were clean and not bitten.
Your clothes were expensive brands.
Angus
No missing person reported yet.
Yeah.
No one misses me, then.
That's not true!
It could be that you were on vacation!
There is no way someone like you wouldn't have a boyfriend.

Big and warm
Angus's hands.
Squeeze
I want to hold her
Look around.
Is there anything you recognize?
I'm driving
What am I thinking?
Someone must have really hated me
No, it could have been a mugging
But...
Don't think negatively.
Thud
And.
Someone tried to kill you.
!!

I—ran here
Yes.
A multi story car park.
Doesn't look like it's used much—
Are you sure?
A car—
A car was after me—
Don't forget
This is work
It's work
There..!
Oh

I don't think anyone called me like that, with a nickname.
Becky...
Maybe if I try harder
It's coming back a bit...
Don't push yourself, Becky.
Strange how I remember such silly things.
Do you not like being called Becky?
...No.
Angus..
Every-thing you remember is important.
Each memory will rebuild who you are.

Are you okay? You look pale.
I'm... fine.



I found it.
Heh
But something
A bullet
The angle is low too. Probably shot from the passenger's side.
You're right about being chased by a car
It's new.
A bullet hole.
That might be difficult. It's likely someone picked it up.
If we find my bag, we'll know more.
—I need
To control myself
Angus.
I like it when you call me that.

This.
Scraped your face.

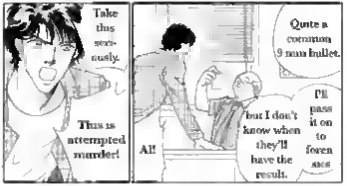
Pull
Which means
Hmm?
It's locked
Is that a detective skill, too?
...Let's just call it that
Click
It's open!
If the bullet went through, there should be...
Found it!
See.
The bullet.

I feel like Cinderella.
My shoe.
It's stuck in the grill.
Here you go.
Tap
Thank God it only scraped you!
Grab
Oh.
Oh, sorry.

I would have clouded armor
A knight in shining armor
who can't help but save a damsel in distress.

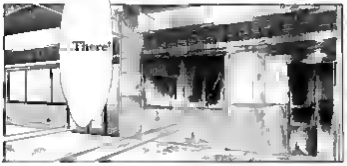
Cinderella
Lost her glass shoe, while running down the stairs.
I also only had one shoe.
—Angus, You..
Aren't a prince waiting for a princess on his throne.
You are a knight

The heel is broken.
...That Dumpster...
You see this gap?
Yes!
You recognize it?
I was here when I came to.
So powerfully
Found it!
Anyway, Becky,
It might still be here.
This may have been how you lost your shoe.
Let's look for it.
What shall I do?
I am so drawn to you
Angus
My heart won't stop beating

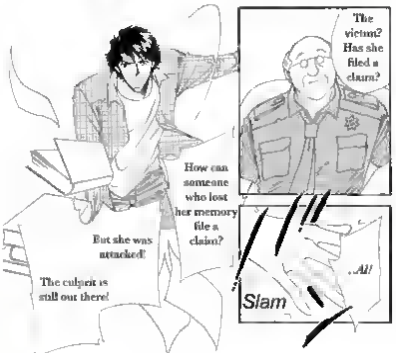


Take this seriously.
This is attempted murder!
Ah!
but I don't know when they'll have the result.
I'll pass it on to forensics
Quite a common 9 mm bullet.

Perhaps there was a fire.
You did smell of smoke a little.
And this smell...
Strong perfume and smoke.



...There!



The victim? Has she filed a claim?
How can someone who lost her memory file a claim?
But she was attacked!
The culprit is still out there!
Slam
...Ah!

Hmm.

Police

—Why is she not in any of the hospitals?
The bullet hit her
I saw her stagger
If it wasn't for that fire I could have finished her
I'll find you
Rebecca!

You're better than we are at that.
You need to find out who she is.
You know we have nothing to work on.
And I wish you all the best with her.
All
That's important, too.
Slam

And that is your greatest compliment.
Better than takeout!
Delicious
But my body seemed to remember how.
I don't recall cooking
I'm glad!
I wasn't sure if I could do it.
Your smile is the greatest compliment for me
It's wonderful
What's this?
Sit down, guys!
I made dessert, too.
Rebecca made it.
She baked it in the oven!
Oven?
I turned the dial!
Isn't that just where we put the dirty dishes?

Job—
Just think that out
There are some paths you're not allowed to take
Once she has her memory back she'll leave
That's right.
She's right
Just like Jane did
And it is my job to get her memory back
Hey!
Why don't you live with us forever, Rebecca?
Vikki.
I can't do that, Vikki.
— Not forever.
We're having dinner together
You are our family now.
I can't come between your family.

Um... Becky!
Yes?
I'll go to bed now.
Um...
Oh... Yeah...
Yes.
What is it?
...
Hmm?
...I want you to...
Um
Well...
Is there anything you need?
Oh, yeah

"It" Flap
I'd hate it more if you were on here.
That's all right.
I'm sorry you're on the couch again.
Puff
Puff
No, not at all.
Um...
Do... I look like Vikki's mom?

So even if it's only for a moment...
When I think about it
It's so scary
Swoosh
...I'm scared.
To be alone.
But...
I want you to hold me. I know that sounds weird but
I think too much when I am on my own—
Who is after me?
What did I do?
Who am I?
What if I never remember—

I don t even know who I am
Angus
I might be betraying someone
So to wish for a kiss
I want him to kiss me
Am I wrong to think that?
"There are some paths you re not allowed to take"
Squeeze

Is it wrong?
Angus—
Hold back

This rampant heartbeat.
Is it my heart or her heart?
I don't care if I stop breathing now
Angus
Oh—
Angus !

Put two not one.
You should put a chair in front of your door.
Grab
Angus..
Good night.
Grab
Just hope my good judgment lasts until the morning.

Becky !
Angus !
—But

I won't sleep tonight, though
To be continued. .

Nothing happened.
This is fine
—Yes
Aneus,
Tap
Good night.
This is the right decis on
Yes, this is fine

Kazuko Fujita

I cannot love him.

Because, although I have no memory, I have a fiance ..

Angus's Lost Lady

Original Text by Maria Ferrarella

That rainy day—
A client who appeared with only my business card
A Cinderella with no memory and with only one shoe
Vikki!
Come for my show and-tell.
What?
No one has ever met someone who lost her memory.
You want me to come to school?

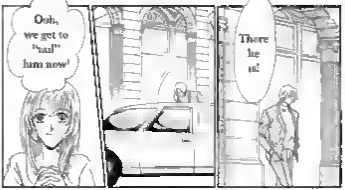
I must be cautious
Becky and I are client and detective
That is all
I was thoughtless last night
Not able to control my emotions

I'm stupid
Alone with Becky in a confined space
I can't concentrate
I'm so close to Angus I can hear him breathing
I'm so stupid
The feelings I locked away feel as if they will resurface

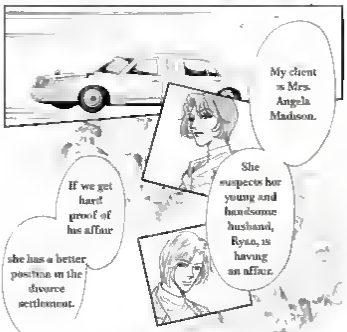
If your teacher says it's okay I will come.
Yay!
How rude!
Sorry, Becky.
It's okay. If I can be of help.
You are strong.
I want to come with you to work, too.
If there is anything I can do to help.
Oh!
Well, I only have a stakeout today
A stakeout!

What do you like?
Angela is wealthy so the pay is good but I dislike investigating affairs.

Why not?
I have to be away from home a lot.
I travel all over the place,
Searching for runaways maybe.
But I can't do it anymore
looking for clues.
I think having her dad come home every night is important for Vikki.
It's rewarding.



Ooh, we get to "nail" him now!
There he is!



My client is Mrs. Angela Madison.
She suspects her young and handsome husband, Ryan, is having an affair.
If we get hard proof of his affair she has a better position in the divorce settlement.

And we're in the same elevator as my target
Is Becky coming with me?
Whirl
Why...
See he's suspicious
Tug
Angus
He's frank but kind
Screech
He stopped.
Scuffle
Looks like he's meeting someone at this hotel
I'm sure Vikki appreciates that.
Like I do...

Just need some photos and we're done.
We know Ryan's room.
Hiss
You were great, partner
Were we good?
Oh, and Becky, who is "Howard"?
It might be a part of her memory
It's not long until she remembers everything
I dunno.
Just popped into my mind.

Just tell the front desk.
She's acting
Oh
Huh?
You forgot the keys in your room?
Are you an idiot?
How many times is it, Howard!
Howard?
Slam
Creak
You're late, Ryan.

It's a dead end
So
We'll regret it.
We'll both be hurt
Stop thinking about stupid things
Snap

Snap
Snap
Snap
Did Becky make love to someone like that?
—If we found out after Becky and I made love

Angus.
I...I'm thinking about leaving here.
What..
If only she never regained her memory—
I think about that sometimes..
No...! You can't. It's too dangerous.
I can look for an apartment.
I can't just live off you forever...
You were nearly killed. You can't be on your own.

It's been 2 weeks since Becky came
This scenery is so familiar now
I watch over them..
making dinner and teaching Vikki
Helping me with my work
I ignored AI's suggestion fearing for Becky's safety
Why don't you publish it in the newspaper?
No missing person's report has been filed

Angela has invited me to a casino hotel in Tahoe
as a thank-you for the job.
She owns it
A break?

Then why don't I lure you officially as my secretary? What do you think?
But...

You should take Vikki.
I don't want her near casinos.
She'll think of her mom, who worked at casinos.
Oh—
Your memory might return, being in new surroundings.
You're right.
Okay, then.

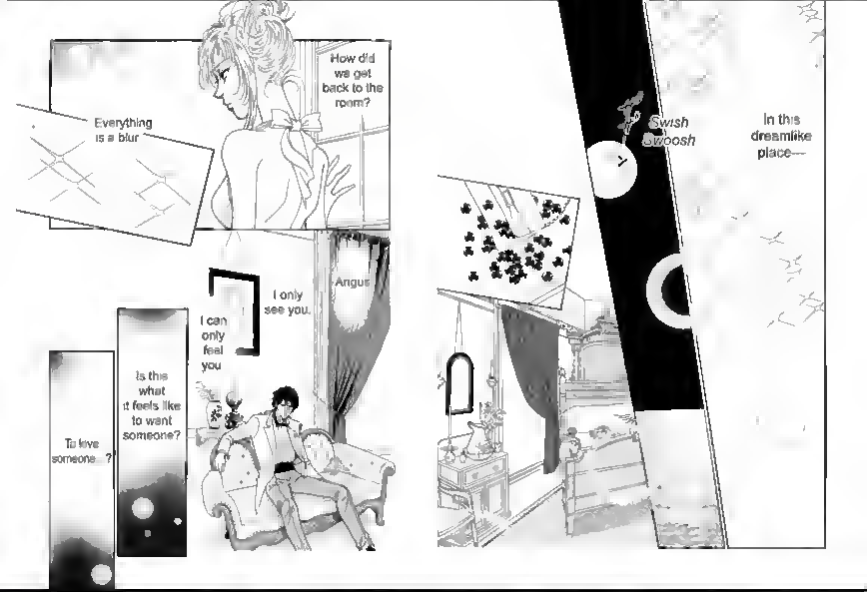
This weekend, come with me to Lake Tahoe for a break.
Right, well, I will give you your first job.
Okay!
You're saying you need me?
Of course!
Professionally and personally

I will kill her... !
Lake Tahoe
Oh!
It s been 2 weeks
I don't even know if she s dead or alive
If she is alive
There's a risk, but perhaps I have no choice—
this time
But I m not go ng to remember my past,
but to appreciate "now"
Angus
My time with you "now"

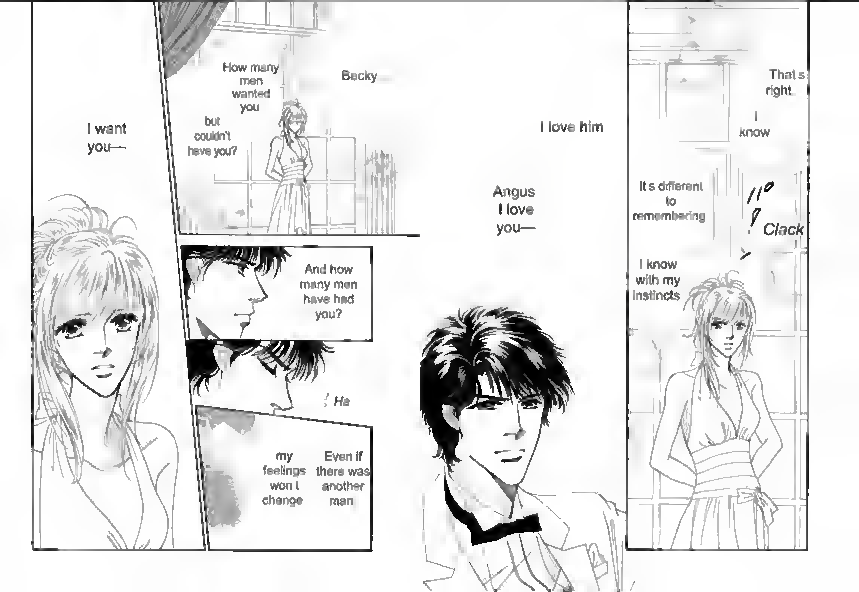
Thus is beautiful!
Thus one, too!
Wow!
You're really like Cinderella.
Your dress changes at the sweep of the wand
No, I'll pay for this.
I can't believe she's paying for my dress, too.
Angela is the fairy god-mother.
It's beautiful.
Like a castle!
We've reserved some chips for you at the casino, too.
The owner says, to please use the restaurants and shops as you wish.
It's a shame. I don't have a dress to wear to the casino.
This must be nothing compared to the divorce settlement she would have had to pay her cheating husband.
Angela is amazing.

Swish
I just wanted to be alone with her
Help her get her memory back.
What an excuse
What am I trying to do here?
Swoosh

Angus.
I won't be able to repay you unless I give you my firstborn.
No, Angus...!
I don't mind. I want to.
Just don't leave her on the doorstep!
Ha ha
CASINO



How did we get back to the room?
Everything is a blur
Angus
I only see you.
I can only feel you
Is this what it feels like to want someone?
To love someone...?
Swish Swoosh
In this dreamlike place—

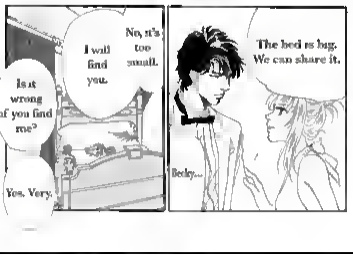


I want you—
How many men wanted you but couldn't have you?
Becky
And how many men have had you?
! Ha
my feelings won't change
Even if there was another man
I love him
Angus I love you—
That's right
I know
It's different to remembering
!!
! Clack
I know with my instincts

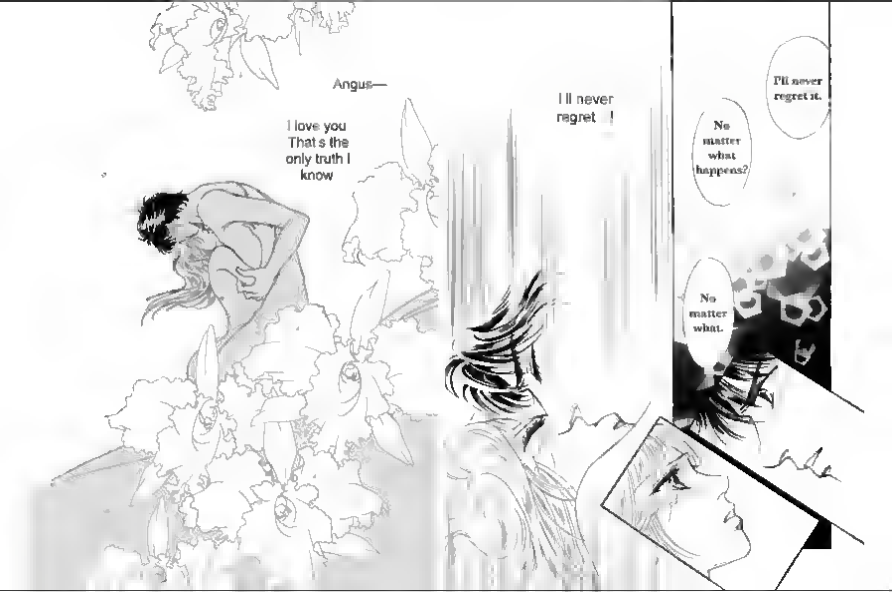
Why?
I want you to find me.
Ever...
I don't want you to regret tonight.
There may be someone waiting for Becky

We should go to bed.
—But
I'll sleep on the sofa.

Angus

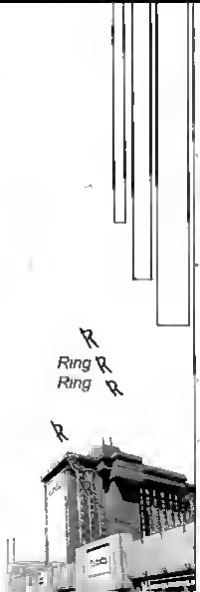


No, it's too small.
I will find you.
Is it wrong if you find me?
Yes. Very.
The bed is big. We can share it.
Becky...

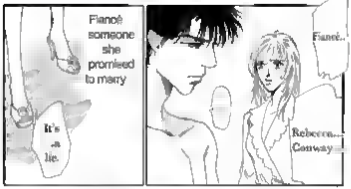


Angus—
I love you
That s the
only truth I
know
I ll never
regret !
No
matter
what
happens?
I'll never
regret it.
No
matter
what.

What is?
I'm still Cinderella after midnight.
I'm still in your arms.
It's wonderful.
So I'll never regret it
It's as if I am on fire.
With my desire for her
My feelings for her
Becky—!

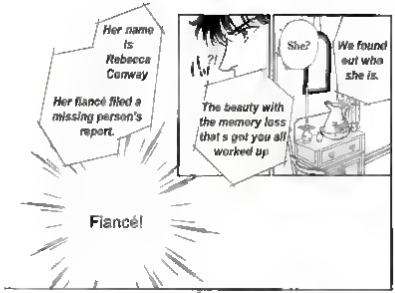


Thus is a dream world, that's why.



Fiancé someone she promised to marry
It's a lie.
Fiancé...
Rebecca Conway...

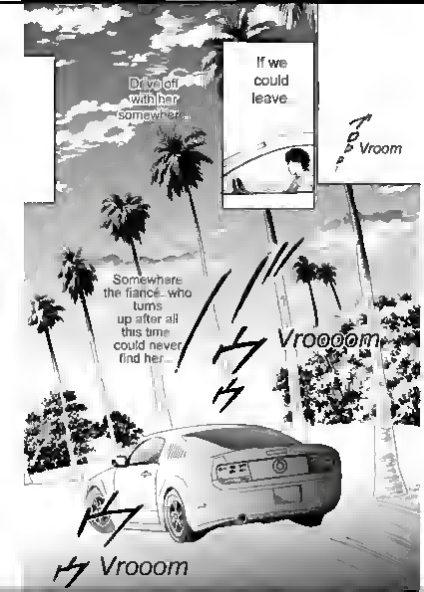
Oh, Angus, hold me please...
Calm down, Becky.
It's a lie! I don't believe it!
Angus.
Why...
...No.



Her name is Rebecca Conway
Her fiancé filed a missing person's report.
Fiancé!
The beauty with the memory loss that's got you all worked up
She?
We found out who she is.

I have a fiancé?
Fiancé
What's wrong, Angus?

Cinderella's magic spell
has been broken.
Why are you turning your back on me? Angus
Why
Why won't you look at me?
Nothing has changed between us. Right?
We're still the same people who made love to each other last night!
No.
You have someone
who you promised yourself to before you met me?
A man you loved! That's the reality...!



Drive off with her somewhere...
If we could leave...
Vroom
Somewhere the fiancé who turns up after all this time could never find her...
Vroooom
Vrooom

I can't be there when that happens
Remember the man she loved
Even if she doesn't believe it now
She will evenually remember
Becky...

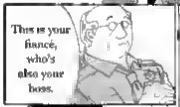
Probably a common mugging.
What about her being shot?
I don't remember any of this.
Are you serious?
Anyway, let's contact her fiancé, Howard Dana.
That time—
How many times did you say Howard!
Howard?

Rebecca Conway
29, 162 cm, 52 kg, violet eyes.
Police
A senior computer programmer at Data International.

Oh But the scent of this cologne
I think I recognize it
... I'm sorry. Nothing.

But I feel nothing when he holds me
—Did I really love this man ?

SL—
—AM
Rebecca!



This is your fiancé, who's also your boss.

You have lost your memory?
Do you remember me?

Squeeze
Oh, thank God you're okay! You have no idea how worried I was...!

The way he speaks...
This guy...
Something seems off
AL
Whisper
We'll be going now.
That man...
He's not all that he seems.
Why do you think that?
A detective's instinct.
Huh
No guy's going to please you if he's her fiancé.
I'll come with you.

I thought you had left on your business trip to Japan as planned.
I'm sorry I didn't file a missing person's report sooner
But I had no word from you, so I got worried...
I never thought this had happened.
No, thanks.
Oh... I see. I'm sorry.
Me Angus MacDougall.
It's not much but here's a check.
you, a detective, have been looking after her, I hear

You've leaving, Rebecca?
Why? You don't like it here anymore?

No, but.

I found out where I live, Vikki.
You remembered?

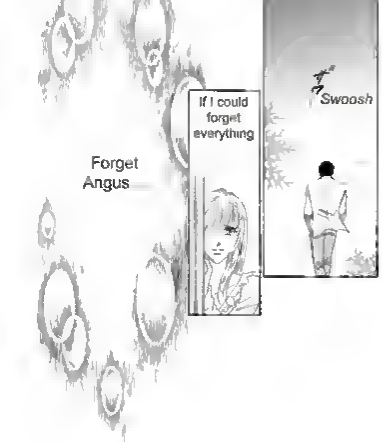
I want to help while she settles in...
Wait!
No offense but I'm the only person she feels safe with right now.
Oh, I don t...
Why are you all fussing over me?
If you tell me where, I can go home.
I don't need your sympathy, either Angus!
Becky

Vikki...!
Squeeze
Wa
うえぇえ…えぇ…ん
Waaaaaaaaaa
Say something, Angus! Stop her
Here's my address. Contact me if there's anything.
I'll be good. I won't ask for a puppy anymore.
No!
Rebeca...
But there's nothing we can do. Don't cry.
Thank you, Vikki.
Humph
Vikki
I won't cry. I'm not a baby.

I may never remember and continue to live with a man I don't love
I wonder
Yeah.
You'll remember soon.
Behind me is the man I love who turned his back to me
In front of me is a fiancé I don t recognize
Where can I go?

Everything seems
familiar and not.
This is... My house
I don t know what s real and what s a dream anymore

No,
I don t even recognize myself
There are a lot of photos.
There may be someone you recognize.



Forget Angus...
If I could forget everything
Swoosh

You must accept it
I don't
Thank you for dropping me off
I'll send you a check for taking care of me, and for the detective fee.
You want our relationship to end, right?
Becky...

...All right
Well goodbye...
Bye...

When did she get this photo?
Oh, dear
Photo
"There are a lot of photos."
A life without her
A room without Becky
Becky's life was never meant to cross mine
My life with Vikki
It's just like it was before
レベッカのところへいきます
I'm going to Rebecca's
What's this?
Vikki
are you asleep?
Shall we read a book?

I was meant to go to Japan but I left food?

Private Detective Angus MacDougall

What a liar that Howard Dann!

Vikki! Becky! They're in danger!

VROOOM

Did I pick it up? Get it from someone?

I wonder

How I came to have this

Hide from that man
That man !

Headlights!
What?
Lights?

Gunshots
Sirens

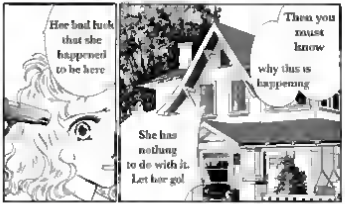
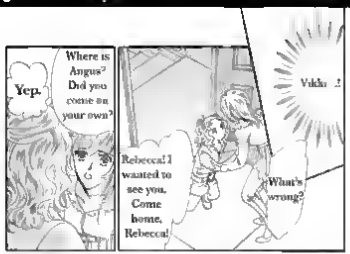
A burning pain

Howard..!
So it was you, Howard Dann!
Click
Oh, it looks like you got your memory back.



Her bad luck that she happened to be here
Then you must know why this is happening
She has nothing to do with it. Let her go!



Where is Angus? Did you come on your own?
Yep.
Rebecca! I wanted to see you. Come home, Rebecca!
Vikki..!
What's wrong?

Really? On your own
How irresponsible.

Run outside, Vikki!
Ist
Becky...
Slam
Bam
Run, Vikki!
What...
Now!
Daddy!
Angus..
Clack
Becky
He is not your fiancé
Put down the gun, detective.

So that day
I had your card
Private Detective Angus MacDougall
Angus, you
A first-class detective for undercover investigations.
I messed up but it all ends here.
With 3 corpses.

The card I had on me for only a few hours brought us together.
Becky

Looks like I screwed up again.
I should have killed you that day.
Howard is not in any of those photos. What kind of fiance is that?
-Really?

I wanted to get evidence,
so I found a detective.
I was surprised. You didn't seem like you'd do such a thing.
That day I overheard your conversation.
You were complicit in a fraudulent business acquisition behind the company's back!

Bang!
Oh.
Today is the first time you called me Daddy.
I think I like it.
Daddy!
Vikki!
I won't
Tap
Let that happen!
End
Ouch!
Bang
Swoosh

Using a missing person's report to find her was your down fall, Howard Dunn
Come on, walk properly! It's not that bad.
I'm arresting you for attempted murder!
Darn it...
Ah...
I'll speak to you guys tomorrow.
Have a nice night tonight!
Your detective instincts were right, Angus. Or was it the power of love?
Ah!

I'm so glad you're okay
Becky
Angus...

So glad...!

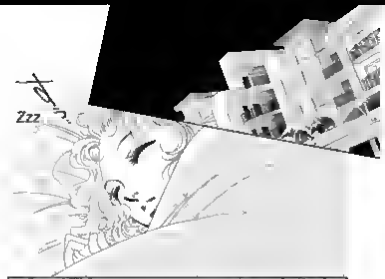
But I remembered the most important part.
What?
I'm not sure.
That I have no fiancé
And the only man I loved was and is you.
Becky

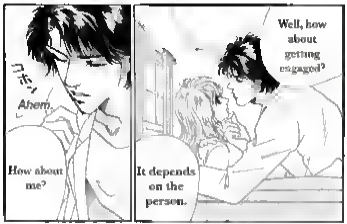


Zzz

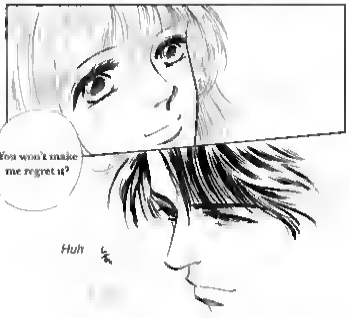
Shhh
Shhh

So you really remember everything.
Private Detective Angus MacDougall

Of course
No regrets.
—Never.



Ahem.
How about me?
It depends on the person.
Well, how about getting engaged?



You won't make me regret it?
Huh
